We Can Program Your ELITEpro SP

Setting the parameters for testing is very easy, too. We will be happy to set up the ELITEpro SP to the parameters of your test at no extra charge. Plug it in and start recording your data right away!

Call for an ELITEpro SP programming set-up sheet to tell us your parameter selections.

I authorize a charge of \$475 (plus freight charges) on my credit card for the a 30-day rental of the above ordered parts. I understand my credit card will be charged \$100 per week for each ELITEpro SP power meter unit and \$18 per week for each CT kept in my possession after the 30-day rental period. I will call the PC&S Rental Desk at 1 (800) 523-9194 to request a Return Authorization to return the unit and CTs. Unit and CTs must be returned to PC&S promptly following the issuance of the Return Authorization. Return freight is additional. The units should be returned in undamaged and usable condition to avoid assessment of additional charges. A confirmation of your rental order will be sent via email or fax upon receipt.
